🇮🇹 100% Made in Italy.

Handsfree Speaker Units

5HV-300
2W SPEAKER UNIT - Independent digital speaker unit with microphone and loudspeaker. 2-wire BUS connection.

5HV-302
2W SPEAKER UNIT WITH PUSHBUTTON - Independent digital speaker unit with microphone, loudspeaker and emergendy button. 2-wire BUS connection.

5HV-324
2W STAINLESS-STEEL SPEAKER UNIT - Complete with microphone, loudspeaker, double-contact emergency pushbutton, pictograms with LEDs (surface-mount). 2-wire BUS connection.

5HV-306
2W METAL CASE SPEAKER UNIT - Independent digital speaker unit in metal case, with microphone, loudspeaker, emergency button and LEDs.

6CV-30022
MICROPHONE - Soldered on shielded cable L= 3 m.

5HV-036
PASSIVE SPEAKER UNIT - With microphone and loudspeaker.

5HV-021
PASSIVE SPEAKER UNIT WITH CABLE L = 3 m - With microphone, loudspeaker, emergency pushbutton and shielded cable L = 3 m.

Machine Room Terminals

4TS-101
ST 100L ANALOG TELEPHONE WITH DISPLAY

5TE-016
FLY-LIFT ANALOG TELEPHONE

5TE-018
SLIM ANALOG TELEPHONE with keypad on the receiver.

Accessories

5HV-170/1
INDUCTION LOOP - Communication aid device for hearing-impared. Comes with inductive wire and amplifier unit.

GATEWAY 4G/3G/2G

5IG-015
GSM-RM 4G.VOLTE MODULE - 4G LTE/UMTS/GSM module with antenna, LED, magnetic base, mounting bar and connection cable L = 1 m.

5IG-010
GSM-RM 2G MODULE - Quad-band 2G module with antenna, LED, magnetic base, mounting bar and connection cable L = 1 m.

5IG-260/S
4G.VoLTE - 4G/LTE/UMTS/GSM MODULE complete with: backup batteries, adapter, magnet-base antenna. Voice over VoLTE service with fallback on 2G/3G network.

5IG-161/S
GSM500 - GD - 2G Quad-band module complete with: back up batteries, adapter, magnet-base antenna and extension cable L = 2 m.
